Rethink Your Business Finances With Zero Guesswork.

Title Insurance Underwriters

National and regional title insurance underwriters, representing more than 90% of the market share, have tested, evaluated, endorsed and mandated the use of RynohLive to mitigate losses caused by agent escrow theft or the mishandling of settlement funds.

Mortgage Lenders

For lenders, RynohLive will validate the integrity of the transaction from origination to closing.

E&O Insurance Providers

E&O insurance providers recognize RynohLive as a reliable solution for deterring fraud, embezzlement, and accounting errors prompting many to offer RynohLive users rebates as long as they remain active customers.

RynohLive Allows Title Insurance Underwriters, Lenders, and Regulators to:

- Monitor the agent's escrow accounts continuously and ensure they are fully audited
- Automatically receive fully analyzed agent reconciliations: Utilize RynohLive's anti-fraud algorithms to detect potential problems
- Access the agent's accounts remotely to review
- Minimize financial losses due to fraud and agent defalcation: Reduce personnel, audit, and travel costs
- Improve business practices and increase profitability: Structure permissions and responsibilities to match corporate responsibilities
- Ensure regulatory compliance
